

CCI Technical Treasure Hunt

For the first time in 2024, the CCI technical team have organised a treasure hunt to get to know about resources, expertise and equipment across our different campuses. To take part in the treasure hunt, grab a card from one of the opening events, from the workshop at Peckham Road, or print your own (bonus printer round!).

CCI TECHNICAL TREASURE HUNT

the CCI technical treasure hunt begins on sep 23. talk to each technician to receive a stamp!

3 stamps gets you a *sticker*
first 100 with all 7 get a *t-shirt*
talk to mayra or pete to claim your prize!

PR = Peckham Road
GB = Greencoat Building
HH = High Holborn

Visit each technician to get a different stamp -- it's also a good time to introduce yourself and ask questions about what they specialise in.

Read more about each technician here: [Meet the technical team](#)

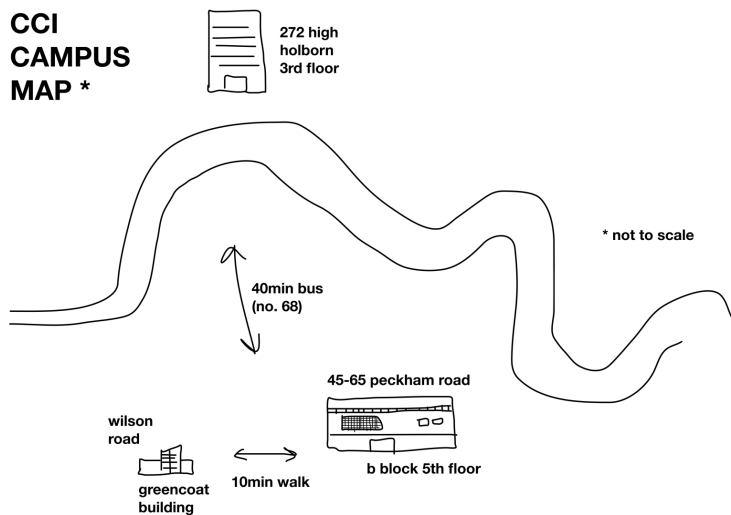

The first 100 students to return a complete treasure hunt card to Pete will receive a t-shirt! Anyone with 3 stamps or more will also get a sticker.

The addresses and opening hours of the different CCI buildings are available on this wiki page.
Check out the [Buildings, opening times and virtual tours](#) for more info.

Not all technicians are in every day + some of us work different hours. The best place to find out when a technician will be in is this wiki page.

First time navigating CCI buildings?

Here is a map that will help you find your way between different CCI buildings.

Good luck and happy hunting!
